ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed January 22, 1993, to revive the above-identified application.

The petition is dismissed.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)."

A petition to revive an abandoned application under 35 USC 133 and 37 CFR 1.137(b) must be accompanied (1) by a verified statement that the abandonment was unintentional, (2) by the proposed response to the outstanding Office action, and (3) by the petition fee required by law (37 CFR 1.17(m)). This petition lacks item (2) above.

The application became abandoned for failure to file a response within the meaning of 37 CFR 1.113 to the final rejection of April 14, 1992, within the time period for response. The proposed response required for consideration of a petition to revive must be a Notice of Appeal (and fee required by law), an amendment that prima facie places the application in condition for allowance, or the filing of a continuing application.

A copy of the October 8, 1992 Advisory Action is being enclosed so petitioner may respond properly to the office action.

Further correspondence with respect to this matter should be marked on the front page of the communication to the attention of the Office of the Assistant Commissioner for Patents, Crystal Park Two, Suite 913, and addressed as follows:
